## MONTHLY REPORT December 2006

### **From the President**

**Steven M. Hertz, M.D.**

It has been my experience that folks who have no vices have very few virtues.

- [Abraham Lincoln](#)

December Greetings to all of you!!! Although the temperature has not yet plummeted, the shortened daylight makes me strongly suspect that winter is almost here. For the skiers out there, you might give the Peripheral Vascular Surgery Society winter meeting consideration-this year it is in Steamboat, Colorado January 24-27<sup>th</sup> ([www.pvss.org](http://www.pvss.org)) Hotel reservations must be made by 12/10.

Our own annual academic meeting plans are under preparation. Paul Haser is working hard as our program chair to coordinate an exciting meeting. Date: March 14, 2007 @ 11am , Location: Saint Barnabas' Islami Auditorium. A call for abstracts will be coming shortly-please consider submission of any work you have ongoing-presentation at our meeting does not preclude submission for publication or presentation at regional/national meetings.

So keep warm and have a happy and healthy New Year. Looking forward to getting together again in 2007.

### MARK YOUR CALENDARS!

March 14, 2007  
11:00 am

VSNJ Spring Meeting  
St. Barnabas Islami Auditorium

ATTENTION: VASCULAR SURGEONS

## Call for Scientific Abstracts

---

---

*The 29<sup>th</sup> Annual Scientific Meeting of the Vascular Society of New Jersey will be held on*

*Wednesday, March 14, 2007  
at St. Barnabas Islami Auditorim, Livingston, NJ*

We are now soliciting scientific abstracts for presentation at the meeting.

**Abstracts are due by December 31, 2006.**

There will be two types of presentations again this year:

- (1) **Paper Session:** All types of submissions – clinical, research or basic science -- are encouraged. Participation by residents and fellows with member sponsorship are encouraged. (Note – Papers remain eligible for submission to the Eastern Vascular Society or other major scientific meetings.)
  
- (2) **Case Presentation:** Members are requested to submit interesting and educational cases for audience participation and discussion. Case material with pertinent laboratory and radiological data should be submitted by the above deadline.

**Submissions should be sent by email to the society offices at:**

**[jbaglino@blynchassociates.com](mailto:jbaglino@blynchassociates.com)**

Presenters will be responsible to provide the society with their presentation in advance of the meeting, to minimize audiovisual delays.

Registration materials will be forwarded in January outlining the entire program. For more information or if you have questions, please contact VSNJ at (609) 392-7553.

***Mark your calendar for March 14***

***and Submit your Paper/Case Presentation Today!***

*Paul Haser, M.D.*

*Program Chairman*
